

Call for Proposals

Navigating Differences Symposium

Saturday, September 9th, 9:00 AM- 5:00 PM
American University
Washington, DC

The Navigating Differences Symposium is inviting proposals for our September event. This symposium is an excellent opportunity to connect with other experts in the field and is geared towards professionals and parents involved with youth with Learning Differences, especially outside of the classroom; teachers, trainers, instructors, therapists, coaches, and students.

We will be sharing best practices, present research, discuss state of the art methods, network and learn from one another.

Sessions will be 45 minutes each.
